

Talking Birds

Council experts are presenting four bird themes talks to celebrate the launch of the garden bird survey in Auckland.

Talks will be given by council experts with topics covered including: birds in your backyard, kereru research, Aucklands penguin and managing the Hunua kokako population.

Join us to listen to the talks at **11am and 2pm on Sunday, 29 June 2014** with each session running for approximately an hour, at the **Arataki Visitor Centre, 300 Scenic Drive Titirangi.**

This event is free to the public, so come along and learn all about Aucklands unique biodiversity.
