

Piha Domain Basketball Half Court

The Waitakere Ranges Local Board has allocated funding for a basketball half court in Piha.

It is proposed to install the new half court at Piha Domain along the row of pohutukawa next to the playground. This location will not impact on the playing field, will provide good passive surveillance and will not limit further developments. The proposed location can be seen on the map below.

The court will be approximately 10 x 10 meters and contain one backboard and hoop. The existing backboard and hoop at Piha Domain, located between the bowling club and tennis courts will remain until it is removed with the construction of the new sports building.

This project contributes to Objective 13 of the Piha Reserves Management Plan, “To provide a variety of leisure activities for the local and wider community which won’t compromise the character of the reserves”.
