

## MARLBOROUGH PINOT NOIR 2010

*"Light ruby-red colour, moderately deep, with pale garnet hues on edge. This has a light nose of strawberry fruit aromas with light, fresh herb elements and subtle stalk and earth notes. Light-bodied, clean, fresh and up-front flavours of strawberries and herbs are enlivened and lifted by fresh, elevated acidity which adds a degree of juiciness. The tannin extraction is modest, allowing the fruit to feature. The wine finishes cleanly with pure fruit notes. This is an uncomplicated and accessible, light-bodied and racy Pinot Noir with pretty flavours to serve with antipasto, charcuterie and creamy pasta dishes."*

## MARLBOROUGH SAUVIGNON BLANC 2012

*"A lovely expression of classic Marlborough style, the bouquet is perfumed with white peach, feijoa, capsicum and floral notes. It's succulent and rounded on the palate with lovely fruit intensity and a lingering juicy finish. Friendly and approachable, a lovely sauvignon with great drinkability."*
